

Success ⁱⁿ college & career

when **X** = participation in one or more student activities *in each year of high school*

than those who only participated in an activity *in some years*

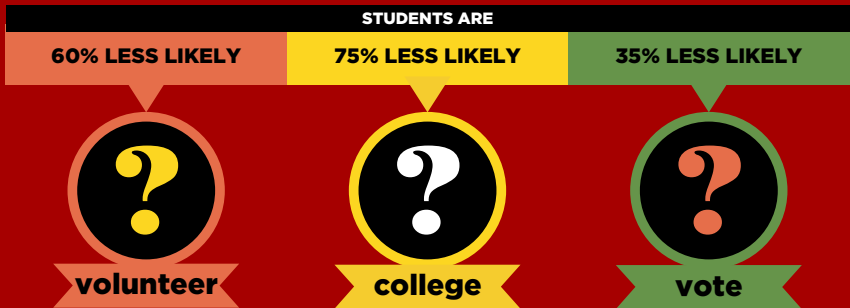

Zaff, Moore, Papillo, and Williams (2003) *Journal of Adolescent Research*

CTSO

Career and Technical Student Organizations offer the perfect opportunity for students to learn and develop academic, technical, and employability skills which are necessary in today's workforce.

when **X** = *no* participation in student activities

than those who participated

Zaff, Moore, Papillo, and Williams (2003) *Journal of Adolescent Research*

Make the Time.
